# 100

*Being recognized as a Titan 100 has given me the opportunity to meet and interact with so many wonderful and high-performing people. Through the Titan events and online community, I have found a great place to share ideas, successes, and challenges outside of the traditional CEO groups.*

*A tremendous value of Titan events is having guests experience our cohort's excellent work and camaraderie, thus extending the organization's impact. I have nominated a colleague as a Titan 100 and applied again based on my positive experience as both an honoree and a 2022 board member.*

Sunny White  
Founder & CEO | Xavier Creative Health

*It's always a wonderful feeling to be recognized for your hard work and dedication, especially when it comes from your peers and colleagues in the business community. I don't often get a chance to take a moment to acknowledge and celebrate my achievements, but the Titan100 community has allowed me to do so. This honor has also boosted morale and motivation among my Primo team members and reinforced the idea that hard work and dedication are valued and appreciated within the organization.*

Nicholas Papanier Jr.  
Owner President & CEO | PrimoHoagies

*I believe that a leaders' growth, skills, and instincts will not develop in a vacuum without intention, practice, and commitment. For me, the greatest value of the Titan 100 recognition has come through the connections made with other leaders and the ability to learn and grow through those connections.*

*I have appreciated the recognition and it has inspired more purposeful action than might otherwise have happened. It feels like the culmination of years of work to build a firm that all feel proud to be part of, where I can now share this recognition with my CFAR colleagues for what we've built.*

Nancy Drozdow  
Founder & Principal | CFAR

*It has been a deep honor to be a Titan, most of all because of the amazing 99 others who are also Philadelphia Titans, from whom I have learned so much; I can only hope I have done a little of the same for them.*

Neil Cooper

*...having a chance to meet, interact and truly connect with the other Philadelphian Titans is truly outstanding. I have learned something special from all of the Titans I have had a chance to meet with, and I look forward to meeting many more.*

Randy Hayman  
Commissioner and CEO | Philadelphia Water Department

*The Titan 100 program is incredibly well run and creates an outstanding experience for nominees to develop deep connections with other business leaders in our community. I found each encounter with the Titan team to be a mix of informational, inspirational, and enjoyable. Most significantly, I am grateful to be selected among such an outstanding caliber of talented professionals and to have the opportunity to share best practices and expand my network of thought partners.*
