Announcing the recipients of the 2024 St. Louis Titan 100

Titan CEO and headline sponsor Wipfli LLP are pleased to announce the 2024 St. Louis Titan 100. The Titan 100 program recognizes the Top 100 CEOs & C-level executives in St. Louis. They are the area's most accomplished business leaders in their industry using criteria that includes demonstrating exceptional leadership, vision, and passion. Collectively the 2024 St. Louis Titan 100 and their companies employ upwards of 129,000 individuals and generate over \$31 billion in annual revenues. This year's honorees will be published in a limited-edition Titan 100 book and profiled exclusively online. They will be honored at the annual awards ceremony on April 18th, 2024, and will have the opportunity to interact and connect multiple times throughout the year with their fellow Titans.

"The Titan 100 are visionary leaders that inspire the St. Louis business community. These preeminent leaders have built a distinguished reputation that is unrivaled in their field. We are humbled to recognize the Titan 100 for their efforts to shape the future of the St. Louis business community," says Jaime Zawmon, President of Titan CEO.

The Titan 100 embodies the true diversity of the St. Louis business landscape. Representing technology, manufacturing, education, healthcare, construction/real estate, staffing, professional services, hospitality, transportation, and non-profit organizations among many others.

The annual Titan 100 awards celebration on April 18th, 2024 will be at The Armory. This 250,000 square foot multi-venue destination is the largest indoor entertainment venue in St. Louis. This unique cocktail-style awards event will gather 100 Titans of Industry and their guests for an evening unlike anything that exists in the St. Louis business community.

"On behalf of all the partners and associates at Wipfli, we congratulate all the Titan 100 winners. It's an honor to recognize this special group of leaders in the St. Louis community. We appreciate the lasting impact each leader has made, and continues to make, in building organizations of significance both here in St. Louis and abroad. Your ingenuity and creativity have set you apart, and the honor of being seen as an industry Titan is most deserved," says Adam Herman, partner at Wipfli.

In addition to celebrating 100 Titans of Industry, Titan CEO and Wipfli will be recognizing the Titan 100 Hall of Fame. This prestigious honor has been awarded to only ten Titan 100 honorees as part of this special commemoration. Titan award recipients are eligible to make the Titan 100 list up to three years, with each year getting progressively more difficult. To make it to the Hall of Fame, Titans must complete on-camera interviews and answer a series of questions where they do not know what will be asked in front of a live judging committee. The Titan 100 Hall of Fame is a class of elite executives that have consistently shown over the past three years their ability to demonstrate the characteristics of a Titan who is a pillar of our community. The Hall of Fame recipients have been noted in bold and with an asterisk (*)
