Announcing the recipients of the 2023 Colorado Titan 100

Titan CEO and headline sponsor Wipfli LLP are pleased to announce the 2023 Colorado Titan 100. The Titan 100 program recognizes Colorado's Top 100 CEO's & C-level executives. They are the area's most accomplished business leaders in their industry using criteria that includes demonstrating exceptional leadership, vision, and passion. Collectively the 2023 Colorado Titan 100 and their companies employ upwards of 50,000 individuals and generate over \$37 billion dollars in annual revenues. This year's honorees will be published in a limited-edition Titan 100 book and profiled exclusively online. They will be honored at the annual awards ceremony on June 1st, 2023, and will be given the opportunity to interact and connect multiple times throughout the year with their fellow Titans.

"The Titan 100 are changing the way that business is done in Colorado. These preeminent leaders have built a distinguished reputation that is unrivaled and preeminent in their field. We proudly recognize the Titan 100 for their efforts to shape the future of the Colorado business community. Their achievements create a profound impact that makes an extraordinary difference for their clients and employees across the nation." says Jaime Zawmon, President of Titan CEO.

This year's Titan 100 embody the true diversity of Colorado's business landscape. Representing healthcare, construction/real estate, technology, software, banking/finance, professional services, hospitality, transportation, and non-profit organizations among others.

The annual Titan 100 awards celebration on June 1st, 2023, will be held at Wings Over the Rockies Air & Space Museum in Denver, CO. Wings Over the Rockies is located on the former grounds of Lowry Air Force Base. The museum is housed in the historic Hangar No. 1, built in 1939, and features dozens of historic airplanes, space vehicles, and interactive exhibits. This unique cocktail-style awards event will gather 100 Titans of Industry for an evening, unlike anything that exists in the Colorado business community.

“On behalf of the partners and associates at Wipfli, we congratulate the Titan 100 honorees. From the first-year Titans to our new Hall of Fame honorees, we appreciate the lasting impact each leader has made and continues to make, in building organizations of significance both here in Colorado and abroad. Your ingenuity and creativity have set you apart, and the honor of being seen as a Titan is richly deserved,” says Pete Aden, Partner at Wipfli.

In addition to celebrating 100 Titans of Industry, Titan CEO and Wipfli will be recognizing the Titan 100 Hall of Fame. This prestigious honor has been awarded to only twelve Titan 100 honorees as part of this special commemoration.

Titan award recipients are eligible to make the Titan 100 list up to three years, with each year getting progressively more difficult. To make it to the Hall of Fame, Titans must complete on-camera interviews and answer a series of questions where they do not know what will be asked in front of a live judging committee.

The Titan 100 Hall of Fame are a class of elite entrepreneurs that have consistently shown over the past three years their ability to demonstrate the characteristics of a Titan who is a pillar of our community.

The Hall of Fame recipients have been noted in **bold** and with an asterisk (*).
