Announcing the 2025 Philadelphia Titan 100 Recipients

Titan CEO and headline sponsor Wipfli LLP are pleased to announce the 2025 Philadelphia Titan 100. The Titan 100 program recognizes Philadelphia's Top 100 CEOs & C-level executives. They are the area's most accomplished business leaders in their industry, using criteria that include demonstrating exceptional leadership, vision, and passion. **Collectively, this year's Titan 100 honorees oversee companies generating more than \$145 billion in combined revenues and a workforce of over 111,000 employees.** This year's honorees will be published in a limited-edition Titan 100 book and profiled exclusively online. They will be honored at the annual awards ceremony on Thursday, September 18th, and will be given the opportunity to interact and connect multiple times throughout the year with their fellow Titans.

"Philadelphia's Titan 100 are redefining business with vision and purpose, setting new standards for growth, innovation, and impact. These trailblazing leaders inspire transformation across industries, uplift communities, and drive meaningful change. We proudly celebrate their legacy of excellence and unwavering commitment to shaping a brighter future for all," says Jaime Zawmon, President of Titan CEO.

This year's Titan 100 embodies the true diversity of Philadelphia's business landscape. Representing construction, financial services, hospital & healthcare, information technology & services, marketing & advertising, and non-profit sectors, among others.

The annual Titan 100 awards celebration on Thursday, September 18th, will be held at 2300 Arena in South Philadelphia: The best-kept secret of event spaces, a 12,000 + square-foot multipurpose indoor arena tucked quietly under 95 hosting live-streamed WWE and UFC matches, to 76'ers and Flyers fundraising events to private wedding receptions and galas. This unique cocktail-style awards event will gather 100 Titans of Industry for an evening, unlike anything that exists in the Philadelphia business community.

"Congratulations to the 2025 Titan 100 honorees," says W. Bradley Baturka, Mid-Atlantic Leader and Partner at Wipfli. *"This remarkable group of leaders continues to inspire with their innovation, resilience, and vision. Their impact reaches far beyond their organizations, shaping industries and communities across Philadelphia and around the world. We're proud to sponsor the Titan 100 program for the fourth consecutive year because we truly value the opportunity to celebrate these outstanding individuals and to be in the company of such successful and fascinating leaders. It's an honor to recognize their achievements and support a community that exemplifies bold leadership."*

In addition to celebrating 100 Titans of Industry, **Titan CEO will be recognizing the Titan 100 Hall of Fame. This prestigious honor has been awarded to only ten Titan 100 honorees as part of this special commemoration.**

Titan award recipients are eligible to make the Titan 100 list up to three years, with each year getting progressively more difficult. To make it to the Hall of Fame, Titans must complete on-camera interviews and answer a series of questions where they do not know what will be asked in front of a live judging committee.

The Titan 100 Hall of Fame is a class of elite executives who have consistently shown over the past three years their ability to demonstrate the characteristics of a Titan who is a pillar of our community.

The Hall of Fame recipients have been noted in **bold** and with an asterisk (*).
