Announcing the 2026 Georgia Titan 100 Honorees

Titan CEO is pleased to announce the 2026 Georgia Titan 100 Honorees. The Titan 100 program recognizes Georgia's Top 100 CEOs & C-level executives. They are the area's most accomplished business leaders in their industry, using criteria that include demonstrating exceptional leadership, vision, and passion. **Collectively, the 2026 Georgia Titan 100 honorees and their companies generate more than \$91.7 billion in annual revenue and employ over 534,000 people across the region and beyond, with over half of these companies exceeding \$40 million in annual revenue.** They will be honored at the annual awards ceremony on Thursday, May 7th, and will be given the opportunity to interact and connect multiple times throughout the year with their fellow Titans.

"Georgia's Titan 100 are raising the bar for leadership across the state and beyond. With bold vision and unwavering purpose, these trailblazers are driving growth, inspiring innovation, and creating lasting impact in their industries and communities. We are proud to celebrate their leadership and the momentum they are generating for the future," said Jaime Zawmon, President of Titan CEO.

This year's Titan 100 embodies the true diversity of Georgia's business landscape. Representing marketing and advertising, hospitals and health care, construction, information technology, financial services, and non-profit sectors among others. We are proud of the unique variety this year's list brings.

The annual Titan 100 awards celebration on Thursday, May 7th, will be held at The Delta Flight Museum. The 68,000-square-foot Delta Flight Museum has allowed visitors from around the world to explore aviation history, celebrate the story and people of Delta, and discover the future of flight. This elegant, cocktail-style awards event will unite 100 Titans of Industry for an unforgettable evening of celebration, camaraderie, and networking—an evening unlike anything that exists in the Georgia business community.

In addition to celebrating 100 Titans of Industry, Titan CEO will be recognizing the Titan 100 Hall of Fame. This prestigious honor has been awarded to only ten Titan 100 honorees as part of this special commemoration.

Titan award recipients are eligible to make the Titan 100 list up to three years, with each year getting progressively more difficult. To make it to the Hall of Fame, Titans must complete on-camera interviews and answer a series of questions where they do not know what will be asked in front of a live judging committee.

The Titan 100 Hall of Fame is a class of elite executives that have consistently shown over the past three years their ability to demonstrate the characteristics of a Titan who is a pillar of our community.

The Hall of Fame recipients have been noted in bold and with an asterisk (*).
