Announcing the 2026 Salt Lake City Titan 100 Recipients

Titan CEO and headline sponsor Gibson proudly announce the inaugural 2026 Salt Lake City Titan 100, a celebration of visionary leadership, relentless innovation, and the courage to build beyond boundaries.

The Titan 100 recognizes Salt Lake City's Top 100 CEOs and C-level executives, the region's most accomplished leaders who have not only built extraordinary companies but have redefined what it means to lead. These Titans exemplify excellence through their vision, passion, and integrity, creating lasting impact across industries and communities.

Collectively, the 2026 Salt Lake City Titan 100 honorees and their companies generate more than \$12 billion in annual revenue and employ over 42,000 individuals across the region and beyond, with more than half exceeding \$35 million in annual revenue.

"The inaugural class of Salt Lake City Titan 100 honorees represents more than success; they embody resilience, purpose, and transformation," said Jaime Zawmon, President of Titan CEO. "Being a Titan is not just a title; it is a mindset, a way of leading with courage, serving with integrity, and creating something that outlasts you. It is about lifting those around you and leaving a legacy that inspires others to rise. These leaders stand as proof that the future of business is driven by those who turn vision into lasting impact."

Spanning industries from manufacturing, construction, information technology, consumer goods and services, and non-profit leadership, this year's Titan 100 honorees reflect the full diversity and strength of Salt Lake City's business community.

The 2026 Salt Lake City Titan 100 Awards will be held on August 27, 2026, at The Grand Ballroom - Utah State Fairpark. This elegant, cocktail-style awards event will unite 100 Titans of Industry for an unforgettable evening of inspiration, camaraderie, and connection. It is more than an event; it is a gathering of leaders who elevate one another and redefine excellence.

Taylor Covey, Managing Principal at Gibson, shared the following message in recognition of this year's honorees:

"On behalf of everyone at Gibson, I want to congratulate this year's Salt Lake City Titan 100 honorees. We believe great leadership transforms organizations and communities alike, and this remarkable group of leaders exemplifies this at the highest level. Their vision, leadership, and lasting impact make them true Titans, and incredibly well deserving of this recognition."

About Titan 100

The Titan 100 is a national program in 12 markets across the country that recognizes the top 100 CEOs and C-level executives in a region. Representing both the private and public sectors, these Titans of Industry demonstrate exceptional leadership, vision, passion, and influence in their field. The Titan 100 are recognized at an annual awards event, published in the Titan 100 digital book, and given the opportunity to build relationships with their fellow Titans by connecting multiple times throughout the year. Titans must be nominated and selected annually, with the pinnacle achievement of being recognized as an elite Hall of Fame honoree in their third year. The Titan 100 is one of the fastest-growing, most powerful communities of executives across the nation. Learn more at www.titan100.biz.
